RATINGS

The Series IV Preferred Shares are provisionally rated Pfd-2 (low) by Dominion Bond Rating Service Limited (“DBRS”) and are rated P-2 by Standard & Poor’s (“S&P”), a division of The McGraw Hill Companies, Inc. Credit ratings are intended to provide investors with an independent measure of the credit quality of an issue of securities. Ratings made prior to issue for preferred shares range from “Pfd-1 (high)” from DBRS and “P-1 (High)” from S&P, which represent the highest quality of securities, to “Pfd-5 (low)” from DBRS and “C” from S&P, which represent the lowest quality of securities rated. Neither of the foregoing ratings should be construed as a recommendation to buy, sell or hold the Series IV Preferred Shares. Either of the foregoing ratings may be revised or withdrawn at any time by the respective rating organization.

EARNINGS COVERAGE

The Company’s dividend requirements, after including the Company’s prescribed dividend requirements on its Series I, Series II and Series III Preferred Shares and after giving effect to the issuance of the \$175 million of Series IV Preferred Shares offered hereby, adjusted to a before-tax equivalent using an effective income tax rate of 27.4% for the 12 months ended December 31, 2004 and 26.4% for the 52 weeks ended March 26, 2005 (23.9% for the 12 weeks ended March 26, 2005), would have amounted to \$64 million for both periods. The Company’s interest requirements on long-term debt, after giving effect to the issuance of \$300 million principal amount of 5.90% medium term notes by Loblaw Companies Limited (“Loblaw Companies”) on January 18, 2005, the repayment of \$200 million principal amount of 6.95% medium term notes by Loblaw Companies at maturity on January 24, 2005 and the exchange of \$133 million of the Company’s 3% exchangeable debentures (the “Domtar Debentures”) for Domtar Inc. common shares in the first two fiscal quarters of 2005, for the 12 months ended December 31, 2004 amounted to \$412 million. The Company’s interest requirements on long-term debt, after giving effect to the exchange of \$80 million of Domtar Debentures since the end of the Company’s first fiscal quarter of 2005, for the 52 weeks ended March 26, 2005 amounted to \$410 million. The Company’s earnings (consolidated net earnings from continuing operations before income taxes, minority interest and interest on long-term debt) amounted to \$1.75 billion for the 12 months ended December 31, 2004 and \$1.69 billion for the 52 weeks ended March 26, 2005. These amounts are approximately 3.683 times and 3.561 times, respectively, the Company’s aggregate dividend and interest requirements for the same periods, assuming the \$175 million of Series IV Preferred Shares offered pursuant to this Prospectus Supplement had been issued during such periods. The following ratio for the 12 months ended December 31, 2004 does not give effect to the implementation of Accounting Guideline 15 “Consolidation of Variable Interest Entities” (“AcG15”), issued by the Canadian Institute of Chartered Accountants, which came into effect in the first fiscal quarter of 2005. The Company has implemented AcG15 in the first fiscal quarter of 2005 on a prospective basis. The implementation by the Company of AcG15 is discussed in the Management’s Discussion and Analysis, as set forth at page 56 of the 2004 Annual Report of the Company.

	12 months ended December 31, 2004	52 weeks ended March 26, 2005
CONSOLIDATED EARNINGS COVERAGE RATIO⁽¹⁾	3.683	3.561

(1) Earnings coverage on aggregate dividend and interest requirements is equal to earnings (consolidated net earnings from continuing operations before income taxes, minority interest and interest on long-term debt) divided by the sum of the Company’s prescribed preferred dividend and long-term interest requirements (adjusted as described above).

Updated earnings coverage ratios, as required, will be filed quarterly with the securities regulatory authority in each of the provinces of Canada either as a Prospectus Supplement or as an exhibit to the Company’s unaudited interim and audited annual consolidated financial statements and will be deemed to be incorporated by reference into the Prospectus.

"Ranking as to Capital" means ranking with respect to priority in the distribution of assets in the event of the liquidation, dissolution or winding-up of the Company, or other distribution of assets of the Company among its shareholders for the purpose of winding-up its affairs, whether voluntary or involuntary.

Rights on Liquidation

In the event of any liquidation, dissolution or winding-up of the Company, the holders of the Series IV Preferred Shares will be entitled to receive, subject to the prior rights of any issued and outstanding Senior Preferred Shares (of which there are none issued and outstanding as of the date hereof), \$25.00 per Series IV Preferred Share plus an amount equal to all accrued and unpaid dividends up to but excluding the date of payment (or, if such liquidation, dissolution or winding-up be voluntary a sum equal to the redemption price applicable at the date of payment) before any payment or distribution is made to the holders of the common shares or any other shares of the Company ranking junior to the Series IV Preferred Shares. Upon payment of such amounts, the holders of the Series IV Preferred Shares will not be entitled to participate in any further distribution of assets of the Company.

Voting Rights

The holders of Series IV Preferred Shares will not be entitled (except as otherwise provided by law) to receive notice of, attend, or vote at, any meeting of the shareholders of the Company unless the Company shall have failed to pay eight quarterly dividends on the Series IV Preferred Shares, whether or not consecutive. In that event, and for only so long as any dividends remain in arrears, the holders of Series IV Preferred Shares will be entitled to receive notice of and to attend all shareholders' meetings which take place more than 60 days after the date on which the failure first occurred, and to cast one vote for each share held, except meetings at which only holders of another specified class or series are entitled to vote.

In connection with any action to be taken by the Company which requires the approval of the holders of Series IV Preferred Shares voting as a series or as part of a class, each such share shall entitle the holder thereof to one vote.

Tax Election

The Company will elect, in the manner and within the time provided under Part VI.1 of the Tax Act, to pay tax at a rate such that holders of Series IV Preferred Shares will not be required to pay tax on dividends received on the Series IV Preferred Shares under Part IV.1 of such Act. See "Canadian Federal Income Tax Considerations – Dividends".

Modification

The provisions attaching to the Series IV Preferred Shares as a series may be added to, changed or removed with such approvals as may then be required by the Articles of the Company and the *Canada Business Corporations Act*, currently being at least two-thirds of the votes cast at a meeting or adjourned meeting of the holders of Series IV Preferred Shares duly called for the purpose and at which a quorum is present, subject to a minimum requirement that such approval be given by two-thirds of the votes at a meeting, or by resolution signed by all of the holders of Series IV Preferred Shares then outstanding.

Depository Services

Except as otherwise provided below, the Series IV Preferred Shares will be issued in a "book-entry only" form and must be purchased or transferred through participants ("Participants") in the depository service of CDS or its nominee which include the Company, securities brokers and dealers, banks and trust companies. On the date of closing, the Company will cause a global certificate representing the Series IV Preferred Shares to be delivered to, and registered in the name of, CDS or its nominee. Except as otherwise provided below, no purchaser of Series IV Preferred Shares will be entitled to a certificate or other instrument from the Company or CDS evidencing that purchaser's ownership, and no purchaser will be shown on the records maintained by CDS except through a book entry account of a Participant acting on behalf of the purchaser. Each purchaser of Series IV Preferred Shares will receive a customer confirmation of purchase from the registered dealer from which the Series IV Preferred Shares are purchased in accordance with the practices and procedures of the dealer. The practices of registered dealers may vary, but generally customer confirmations are issued promptly after execution of a customer order. CDS is responsible for establishing and maintaining book entry accounts for its Participants having interests in the Series IV Preferred Shares. Physical certificates evidencing the Series IV Preferred Shares will not be issued to purchasers, and registration will be made in the depository service of CDS.

Neither the Company nor the Underwriters will assume any liability for (a) any aspect of the records relating to the beneficial ownership of the Series IV Preferred Shares held by CDS or the payments relating thereto, (b) maintaining, supervising or reviewing any records relating to the Series IV Preferred Shares, or (c) any advice or representation made by or with respect to CDS and those contained in this prospectus and relating to the rules governing CDS or any action to be taken by CDS or at the direction of its Participants. The rules governing CDS provide that it acts as the agent and depository for the Participants. As a result, Participants must look solely to CDS and persons, other than Participants, having an interest in the Series IV Preferred Shares must look solely to Participants for payments made by or on behalf of the Company to CDS in respect of the Series IV Preferred Shares.

If (i) required by applicable law, (ii) the book entry system ceases to exist, (iii) CDS advises the Company that it is no longer willing or able to discharge properly its responsibilities as depository with respect to the Series IV Preferred Shares and the Company is unable to locate a qualified successor, or (iv) the Company, at its option, decides to terminate the book entry system, then certificates representing the Series IV Preferred Shares will be made available through CDS.

Manner of Effecting Transfer, Redemption or Conversion

A transfer, redemption or conversion of Series IV Preferred Shares will be effected through records maintained by CDS or its nominee with respect to interests of Participants, and on the records of Participants with respect to interests of persons other than Participants. Purchasers of Series IV Preferred Shares who are not Participants, but who wish to convert, purchase, sell or otherwise transfer ownership of or other interests in Series IV Preferred Shares, may do so only through Participants.

The ability of a purchaser to pledge Series IV Preferred Shares and otherwise take action with respect to such purchaser's interest in Series IV Preferred Shares (other than through a Participant) may be limited due to the absence of a physical certificate.

Payment of Dividends and Other Amounts

Payments of dividends and other amounts in respect of the Series IV Preferred Shares will be made by the Company to CDS or its nominee, as the case may be, as registered holder of the Series IV Preferred Shares. As long as CDS or its nominee is the registered holder of the Series IV Preferred Shares, CDS or its nominee, as the case may be, will be considered the sole owner of the Series IV Preferred Shares for the purposes of receiving payments made in respect of the Series IV Preferred Shares.

The Company expects that CDS or its nominee, upon the date of receipt of any payment in respect of the Series IV Preferred Shares, will credit the Participants' accounts with payments in amounts proportionate to their respective beneficial interests in Series IV Preferred Shares shown on the records of CDS or its nominee. The Company also expects that payments by the Participants to the owners of beneficial interests in Series IV Preferred Shares will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of Participants. The responsibility and liability of the Company in respect of the Series IV Preferred Shares issued in book entry form is limited to making payment of any amount due on such Series IV Preferred Shares to CDS or its nominee.

CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

In the opinion of Gowling Lafleur Henderson LLP, counsel to the Company, and of McCarthy Tétrault LLP, counsel to the Underwriters, at the time of issue, the following is a summary of the principal Canadian federal income tax considerations generally applicable to a purchaser of Series IV Preferred Shares pursuant to this Prospectus Supplement (a "Holder") who, at all relevant times, and for purposes of the Tax Act, is resident in Canada, will hold Series IV Preferred Shares as capital property, deals at arm's length and is not affiliated with the Company and is not a "financial institution" as defined by section 142.2 of the Tax Act or a "specified financial institution" as defined in the Tax Act. Generally, the Series IV Preferred Shares will be capital property to a Holder unless the Holder is considered to be trading or dealing in securities or has acquired the Series IV Preferred Shares in a transaction considered to be an adventure in the nature of trade. Purchasers who will not hold their Series IV Preferred Shares as capital property, financial institutions and specified financial institutions should consult their own tax advisors with respect to their own particular circumstances. This summary is not applicable to a Holder, an interest in which is, a "tax shelter investment" as defined under the Tax Act.

This summary is of a general nature only and is not intended to be, nor should it be construed to be, legal or tax advice to any particular investor. Accordingly, prospective purchasers are urged to consult their own tax advisors with respect to their particular circumstances.

This summary is based upon the current provisions of the Tax Act, the regulations thereunder, all specific proposals to amend the Tax Act and the regulations publicly announced by the Minister of Finance (Canada) prior to

the date hereof (the “Tax Proposals”) and the administrative policies and assessing practices published by Canada Revenue Agency (“CRA”). This summary is not exhaustive of all possible Canadian federal income tax consequences that may affect Holders and, except for the Tax Proposals, does not take into account or anticipate any changes in law or CRA administrative policies and assessing practices, whether by legislative, governmental or judicial decision or action, nor does it take into account or consider any provincial, territorial or foreign income tax legislation or considerations. This summary assumes that the Tax Proposals will be enacted as proposed but no assurances can be given that this will be the case.

Dividends

Dividends (including deemed dividends) received on the Series IV Preferred Shares by an individual (other than certain trusts) will be included in the individual’s income and will be subject to the gross-up and dividend tax credit rules normally applicable to taxable dividends received from taxable Canadian corporations.

Dividends (including deemed dividends) received on the Series IV Preferred Shares by a corporation will be included in computing the corporation’s income and will generally be deductible in computing the taxable income of the corporation.

A “private corporation”, as defined in the Tax Act, or any other corporation controlled by or for the benefit of an individual (other than a trust) or a related group of individuals (other than trusts), will generally be liable to pay a 33¹/₃% refundable tax under Part IV of the Tax Act on dividends received (or deemed to be received) on the Series IV Preferred Shares to the extent such dividends are deductible in computing its taxable income.

The Series IV Preferred Shares are “taxable preferred shares” as defined in the Tax Act. The terms of the Series IV Preferred Shares require the Company to make the necessary election under Part VI.1 of the Tax Act so that corporate Holders will not be subject to tax under Part IV.1 of the Tax Act on dividends paid (or deemed to be paid) by the Company on the Series IV Preferred Shares. Consequently, provided that such election is made, dividends on the Series IV Preferred Shares received (or deemed to be received) by corporations will not be subject to the 10% tax payable under Part IV.1 of the Tax Act.

Dispositions

Subject to the discussion below under the heading “Redemption”, a Holder who disposes, or is deemed to dispose, of Series IV Preferred Shares will generally realize a capital gain (or sustain a capital loss) to the extent that the Holder’s proceeds of disposition, net of any reasonable costs of disposition, exceed (or are less than) the adjusted cost base of such shares to the Holder. If the Holder is a corporation, any capital loss may in certain circumstances be reduced by the amount of dividends, including deemed dividends, which have been received on the Series IV Preferred Shares to the extent and under the circumstances provided under the Tax Act. Analogous rules apply to a partnership or trust of which a corporation is a member or beneficiary.

Generally, one-half of a capital gain will be included in the Holder’s income as a taxable capital gain and one-half of a capital loss may be deducted from the Holder’s taxable capital gains as an allowable capital loss in accordance with the detailed rules contained in the Tax Act. Capital gains realized by an individual may give rise to a liability for alternative minimum tax. Taxable capital gains of a “Canadian-controlled private corporation” (as defined in the Tax Act) may be subject to an additional refundable tax at the rate of 6 2/3%.

Redemption

If the Company redeems Series IV Preferred Shares, or otherwise acquires or cancels Series IV Preferred Shares (other than by a purchase in the open market in the manner in which shares are normally purchased by any member of the public in the open market), the Holder will be deemed to have received a dividend equal to the amount, if any, paid by the Company in excess of the paid-up capital (as determined for purposes of the Tax Act) of such shares at such time. The amount of any such deemed dividend will generally not be included in computing the Holder’s proceeds of disposition for purposes of computing the capital gain or loss arising on disposition of such Series IV Preferred Shares. Notwithstanding the foregoing, the Tax Act provides that where a corporate Holder is deemed to

have received a dividend, under specified circumstances all or part of such dividend may be treated as proceeds of disposition of capital property and not as a dividend.

Conversion of Series IV Preferred Shares

A conversion of Series IV Preferred Shares into another series of Preferred Shares will not constitute a disposition thereof and the cost to the holder of the Preferred Shares acquired on the conversion will be the adjusted cost base to the holder of the converted Series IV Preferred Shares immediately before the conversion.

PLAN OF DISTRIBUTION

Pursuant to an underwriting agreement dated July 20, 2005 (the "Agreement") between the Company and the Underwriters, the Company has agreed to sell and the Underwriters have severally agreed to purchase on August 2, 2005, or on such later date as may be agreed upon, but in any event not later than August 31, 2005, all but not less than all of the 7,000,000 Series IV Preferred Shares offered to the public hereby at a price of \$25.00 per share, payable in cash to the Company against delivery of such Series IV Preferred Shares, and the Company has agreed to pay the Underwriters a fee equal to \$0.25 per Series IV Preferred Share sold to certain institutions and \$0.75 per share for all other Series IV Preferred Shares purchased by the Underwriters. All fees payable to the Underwriters will be paid on account of services rendered in connection with the offering and will be paid out of the general funds of the Company.

The Company has granted the Underwriters the Underwriters' Option, exercisable at any time until 24 hours prior to the closing time of this offering, to purchase up to an aggregate of 1,000,000 additional Series IV Preferred Shares on the same terms per Series IV Preferred Share as set forth herein. If the Underwriters' Option is exercised in full, the gross proceeds of the offering will be \$200 million, the total Underwriters' fee will be \$6 million and the total net proceeds to the Company will be \$194 million prior to deducting expenses of the offering. This prospectus qualifies the distribution of the Series IV Preferred Shares issuable upon the exercise of the Underwriters' Option.

The obligations of the Underwriters under the Agreement may be terminated at their discretion on the basis of their assessment of the state of the financial markets and may also be terminated by them or the Company upon the occurrence of certain stated events. The Underwriters are, however, obligated to take up and pay for all the Series IV Preferred Shares if any Series IV Preferred Shares are purchased under the Agreement.

In connection with this offering and subject to the foregoing and to applicable law, the Underwriters may over-allot or effect transactions which stabilize or maintain the market price of the Series IV Preferred Shares at levels other than those which might otherwise prevail on the open market. Such transactions, if commenced, may be discontinued at any time.

The Underwriters are entitled under the Agreement to indemnification by the Company against certain liabilities, including liabilities under securities legislation, or to contribution with respect to payments which the Dealers may be required to make in respect thereof.

The Company has agreed in the Agreement that it will not offer or sell, agree to offer or sell, or announce any intention to offer or sell, any additional Preferred Shares or any securities convertible into or exchangeable for Preferred Shares until 90 days after the closing of this offering, without the prior written consent of RBC Dominion Securities Inc.

The TSX has conditionally approved the listing of the Series IV Preferred Shares. The listing is subject to the Company fulfilling all of the requirements of the TSX on or before October 14, 2005.

Each of the Underwriters, other than Merrill Lynch Canada Inc., is, directly or indirectly, a subsidiary of a Canadian chartered bank. Such Canadian chartered banks (collectively, the "Lenders") have provided to the Company credit lines in the aggregate amount of approximately \$488 million. As at July 20, 2005, the Company has not drawn any material amount from these credit lines. The Company is in compliance with the terms of the credit facilities with the Lenders. The decision to distribute the Series IV Preferred Shares was made by the

Company and the terms of distribution will be determined through negotiations between the Company and the Underwriters. The Lenders did not have any involvement in such decision and will not have any involvement in such determination. None of the Underwriters will receive any benefit from this offering other than its portion of the commission payable by the Company on the amount of the Series IV Preferred Shares sold through or to such Underwriters.

ELIGIBILITY FOR INVESTMENT

Eligibility for investment of the Series IV Preferred Shares offered hereby, by purchasers to whom any of the following statutes applies, is, in certain cases, governed by criteria which such purchasers are required to establish as policies or guidelines pursuant to the applicable statute (and, where applicable, the regulations thereunder) and is subject to the prudent investment standards and general investment provisions provided therein:

<i>Insurance Companies Act (Canada)</i>	<i>An Act respecting trust companies and savings</i>
<i>Insurance Act (Alberta)</i>	<i>companies (Québec) (for a saving company,</i>
<i>Insurance Act (Ontario)</i>	<i>as defined therein, which invests its own</i>
<i>An Act respecting insurance (Québec) (for insurers, as</i>	<i>funds and a trust company, as defined therein,</i>
<i>defined therein, other than guarantee fund</i>	<i>which invests its own funds and</i>
<i>corporations)</i>	<i>deposits it receives)</i>
<i>Trust and Loan Companies Act (Canada)</i>	<i>Pension Benefits Standards Act, 1985 (Canada)</i>
<i>Loan and Trust Corporations Act (Alberta)</i>	<i>Employment Pension Plans Act (Alberta)</i>
<i>Loan and Trust Corporations Act (Ontario)</i>	<i>Pension Benefits Act (Ontario)</i>
<i>Financial Institutions Act (British Columbia)</i>	<i>Supplemental Pension Plans Act (Québec)</i>
<i>Pension Benefits Standards Act (British Columbia)</i>	<i>Trustee Act (Ontario)</i>

In the opinion of Gowling Lafleur Henderson LLP, counsel to the Company, and McCarthy Tétrault LLP, counsel to the Underwriters, the Series IV Preferred Shares offered hereby, if issued on the date hereof, would be qualified investments for a trust governed by a registered retirement savings plan, a registered retirement income fund, a registered education savings plan or a deferred profit sharing plan under the Tax Act. The foreign property rules under the Tax Act have been repealed, effective January 2005.
